## u-10 Girl's Soccer Academy

*“Winning isn’t everything, development is.”*

The Petoskey Youth Soccer Association’s (PYSA) u-10 Soccer Academy is entering its fifth season. Zach Jonker, the PYSA’s Director of Coaching and Player Development, will be running all of the Academy training sessions. The goal of the Academy program is to provide girls with a fun soccer environment in which they can develop their skills. Please see the reverse side of this handout for an outline of the program’s philosophy. The Academy works in concert with the Petoskey Parks and Rec program by providing a more competitive outlet for enthusiastic players. When you register for the academy you are enrolling in a comprehensive soccer experience.
